Solicitation Cancellation Notice

ITN 22-016 Temporary Student Housing

The University held a second evaluation committee meeting on April 1, 2022, at 12:00 P.M. EST. The evaluation committee voted unanimously against moving forward with a contract award for ITN 22-016.

This decision is made in accordance with the ITN document, page 10, under Section IV - Evaluation, Negotiation, and Contract Award.

No additional information is available at this time. As the University evaluates the needs of our growing student population it is possible another solicitation may be issued. All respondents are encouraged to check our website for news and information as these needs are assessed.
