1. Question:

On page 6, the scope asks for 52 ULV treatments and 26 larval control treatments. However, the Pricing Sheet (Attachment I) shows 42 ULV treatments and 21 larval control treatments. The Mosquito Control Schedule (Attachment IV) also shows 42 ULV and 21 larval treatments. We wanted to confirm whether you are asking for 52 ULV/26 larval treatments or 42 ULV/21 larval treatments.

Response: Please price 42 ULV Treatments, 21 Larval Treatments in accordance with the schedule provided.

2. Question:

We were also wondering if it is possible to do a site visit and if so, what is the protocol for setting that up?

Response: The University will offer a non-mandatory site visit. Please see below for details:
