
ADVANCED INTERNATIONAL CERTIFICATE OF EDUCATION (AICE) EXAM (AS-LEVEL & A-LEVEL) EFFECTIVE SPRING 2025

The AICE program is an international, advanced secondary curriculum and assessment program equivalent to the British system of "A-Levels." AS-Level courses are comprised of curriculum lasting one academic year. A-Level courses encompass all AS-Level curriculum as well as additional topics. A-Level coursework is completed over two academic years. Information about the program, including course syllabi, can be found on-line at <http://www.cie.org.uk/countries/usa>. Per section 1007.27(8), Florida Statutes, students may be awarded a maximum of 30 semester credit hours for these examinations.

Note: Not all exams meet Florida Poly degree program of study requirements; credit will be awarded as applicable to major. Major-specific Credit-By-Exams are identified below the course. Any course credit that has already been earned (e.g. dual enrollment, transfer credit) will not be awarded.
